

Christie Captiva DUW350S

CHRISTIE CAPTIVA DUW350S

The whiteboard Christie Captiva DUW350S 3D laser DLP projector has 2700 Ansi lumens, a contrast of 1800:1 and an HDTV 1920 x 720 resolution. The manufacturer Christie specifies a service life of 20000 hours, which is over 13.7 years if enjoyed for four hours a day. A picture width of up to 528 cm is possible. However, the picture should be smaller in room light. We recommend max. 352 cm. The projector also offers a whiteboard function that makes training and presentation rooms interactive. It is also Full HD 1080P and 3D compatible. It was launched in 2015 and is no longer offered by the manufacturer Christie, but is still a very popular projector.
