

Epson USA PowerLite Z8250NL

EPSON USA POWERLITE Z8250NL

Manufacturer Epson USA offers the PowerLite Z8250NL, an LCD projector with XGA 1024 x 768 resolution and a contrast ratio of 5000:1. The lens shift function allows the projector to be positioned very freely. An image width of up to 871 cm is possible; if the image width is smaller (we recommend max. 581 cm), even rooms with residual light are no problem. If the image is still too small, the projector offers integrated edge blending software, which allows multiple projectors to project a large image together. Even 1080P video signals are no problem for the projector. The projector was launched in 2012 and is no longer sold by the manufacturer.

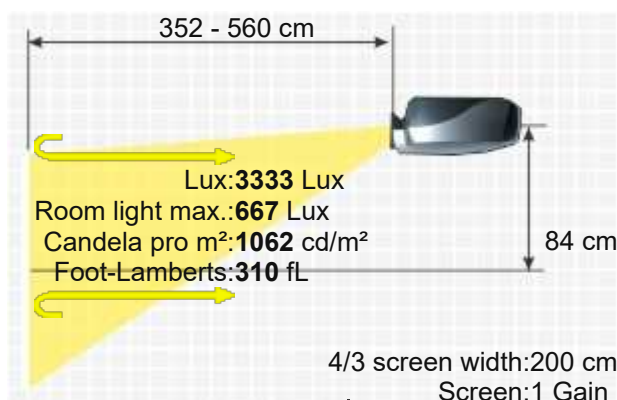

3 x LCD TFT Panel
XGA 4/3 Liquid Crystal Display

Projector

10000
5000:1 full on/off
2,0000 min. Lumen
