Features

Status

The Lucem model LP-05A is an LCD LED projector with WVGA 800 x 480 resolution and a contrast of 600:1. The manufacturer Lucem specifies a service life of 20000 hours, which is over 13.7 years if enjoyed for four hours a day. As Lucem specifies the brightness of the projector in lumens, we have calculated an approximate ansi lumen value in this case. The projector will be able to illuminate an image width of 86 cm well. However, if room light is available, the image width should ideally not exceed 57 cm. This model is no longer offered by Lucem.

 LCD TFT Panel
WVGA 16/9 Liquid Crystal Display

Projector 72 / 1200 Lumen

600:1 full on/off

0,1200 min. Lumen
