

Acer P1510 / TCO

ACER P1510 / TCO

Brief Introduction

Beta 2.5

With the P1510 / TCO, manufacturer Acer offers a standard portable DLP projector with HDTV 1920 x 1080 resolution and a contrast of 10000:1. Thanks to the brightness of 3500 Ansi lumens, an image width of 601 cm is possible. The projector can also handle slightly brighter rooms with a smaller image width (we recommend max. 401 cm). The HDMI MHL (Mobile High-Definition Link) port allows 1080p / 60 Hz image mirroring (screen mirroring) to be transmitted from a smartphone while it is being charged at the same time via the connection. The model is also Full HD 1080P and 3D compatible. This model is no longer offered by Acer.
