ACER S5201/B

The S5201/B 3D BrilliantColor DLP has 3000 Ansi lumens, a contrast of 4500:1 and an XGA 1024 x 768 resolution. The projector also offers an integrated media player that can be used to play files directly. Thanks to the short-throw projection ratio of just 0.61:1, the projector is not distracting in the room. For a 2m wide image, the projector only needs to be 122 cm away from the screen. The model is also Full HD 1080P compatible. It was launched in 2010 and is no longer offered by the manufacturer Acer.
