

Aiptek PocketCinema N100

A I P T E K P O C K E T C I N E M A N 1 0 0

Brief Introduction

Beta 2.5

A brief introduction to the PocketCinema N100: The Aiptek game portable DLP projector offers 100 Ansi lumens, a contrast of 1000:1 and a WVGA 854 x 480 resolution. The projector can illuminate an image width of up to 102 cm thanks to the 100 Ansi lumens. In room light, however, the image width should ideally be less than 68 cm. Thanks to the built-in 2000 mAh, 7.4 V. Li-polymer battery, no power supply is required, allowing the projector to be set up quickly and flexibly. A smartphone with MHL connection can be connected directly to the MHL/HDMI port for 1080p / 60 Hz image mirroring (screen mirroring). It was launched in 2013 and is no longer offered by the manufacturer Aiptek.
