

Anithen Mini Beamer

EAN/UPC:B0HDT8TMY7

ANITHEN MINI BEAMER

The Anithen Mini LED LCD Projector has 300 ANSI lumens, a contrast ratio of 10,000:1, and an HDTV resolution of 1280 x 720. Manufacturer Anithen specifies a lifespan of 30,000 hours, which equates to over 20.5 years of use at four hours per day. The projector is equipped with a built-in media player, so playing files directly is no problem. Horizontal and vertical keystone correction provides flexibility during setup. An image width of up to 144 cm is possible, as the projector has 300 ANSI lumens. However, if there is ambient light in the room, the image should be no wider than 96 cm. The model supports AirPlay and Miracast screen mirroring, so you can stream high-resolution videos with surround sound directly via Wi-Fi from a smartphone, tablet, or PC (Android, Windows, and iOS). Another notable feature is that the projector's Bluetooth function allows it to connect to external wireless speakers. The projector also handles 1080p and 4K (compressed) video signals with ease. At just 25 decibels, the device is among the quieter projectors available.
