

ASK Proxima C410

ASK PROXIMA C410

A brief introduction to the ASK Proxima C410. The standard portable LCD projector has an XGA 1024 x 768 resolution and a contrast of 800:1. As the projector has horizontal and vertical keystone correction, the projector can be set up with plenty of free space in the room. Thanks to the brightness of 2800 Ansi lumens, a picture width of 461 cm is possible. In room light, the image should be max. 307 cm wide. Playing 1080P is also no problem for the projector. The model was built by ASK Proxima in 2004 and is no longer current.
