

Barco FL35 1080p

BARCO FL35 1080P

The Barco FL35 1080p LED DLP projector has 1200 Ansi lumens, a contrast of 8000:1 and an HDTV 1920 x 1080 resolution. The manufacturer specifies an LED service life of 100,000 hours, which equates to over 68.5 years with a daily viewing time of 4 hours. The projector can illuminate a picture width of up to 352 cm with its 1200 Ansi lumens. In room light, however, the picture width should ideally be less than 235 cm. Playing 1080P is also no problem for the projector. The model built in 2014 is no longer offered by Barco.

1 x DLP Chip
HDTV 16/9 Ti Digital Light Processing Chip
