

Benq HT2050

BENQ HT2050

Brief Introduction

Beta 2.5

A brief introduction to the HT2050: The Benq home cinema 3D BrilliantColor DLP projector offers 2200 Ansi lumens, a contrast of 15000:1 and an HDTV 1920 x 1080 resolution. Thanks to the lamp, the projector has a lamp life of up to 3500 hours, which is equivalent to over 4.8 years at 2 hours per day. The built-in lens shift and keystone correction function provides freedom when setting up. The projector can illuminate an image width of up to 477 cm thanks to its 2200 Ansi lumens. In room lighting, however, the picture width should ideally be less than 318 cm. Video signals 1080P and 3D are also no problem for the projector. At 29 decibels, the projector is very quiet compared to other projectors. This model is no longer offered by Benq.
