

Benq MP626

BENQ MP626

A brief introduction to the Benq MP626. The standard portable DLP projector has an XGA 1024 x 768 resolution and a contrast of 3000:1. An image width of up to 435 cm is possible as the projector has 2500 Ansi lumens. However, if room light is available, the image should be a maximum of 290 cm wide. The model is also Full HD 1080P compatible. The operating noise of only 30 decibels makes the projection quiet. This model is no longer offered by Benq, but is still very popular in our projector database.
