

Benq MX712 UST

BENQ MX712 UST

The short-throw MX712 UST 3D BrilliantColor DLP projector from Benq has 2500 Ansi lumens, a contrast of 3000:1 and an XGA 1024 x 768 resolution. Thanks to the lamp, the projector has a lamp life of up to 3500 hours, which is over 4.8 years if enjoyed for two hours a day. The projector also offers an integrated media player that can be used to play files directly. As it is a short-throw projector, the projector can be placed very close to the wall. For a 2 m wide picture, the projector needs to be just 60 cm away from the screen. It is also Full HD 1080P compatible. The projector was launched in 2010 and is no longer sold by the manufacturer, but is still very popular in our projector database.

Brief Introduction

Beta 2.5

Display Type

1 x DLP Chip
XGA 4/3 Ti Digital Light Processing Chip
