

# Benq TH575i

BENQ TH575i

The BenQ TH575i 3D DLP projector has 3,800 ANSI lumens, a contrast ratio of 15,000:1, and an HDTV resolution of 1920 x 1080. The manufacturer, BenQ, specifies the lamp life as 10,000 hours, which would amount to over 13.7 years based on 2 hours of daily use. An image width of up to 626 cm is possible; if the image width is smaller (we recommend a maximum of 417 cm), even rooms with ambient light are no problem. Google TV transforms the projector into a smart entertainment center with countless features. Furthermore, it is compatible with Full HD 1080p and 3D .

## Brief Introduction

Beta 2.5

## Display Type

1 x DLP DMD Chip  
HDTV 16/9 Ti Digital Light Processing Chip
