

Boxlight 9601

BOXLIGHT 9601

Brief Introduction

Beta 2.5

A brief introduction to the Boxlight 9601. The stationary LCD projector has an XGA 1024 x 768 resolution and a contrast of 300:1. The projector can illuminate a picture width of up to 399 cm well thanks to its 2100 Ansi lumens. In room light, however, the picture width should ideally be less than 266 cm. It was launched in 1999 and is no longer offered by the manufacturer Boxlight. Unfortunately, we can no longer offer replacement lamps for this model, neither originals nor replicas.
