XP-60m

For complete presentation versatility BOXLIGHT's **MICRO-PORTABLE XP-60m** projector is the answer. The combination of **1100 ANSI LUMENS** and **HIGH RESOLUTION** with compression for SXGA+ enables the XP-60m to deliver images that are brilliant, vivid and **IMPRESSIVELY SHARP**. It's ideal for small to mid-size presentation venues and, with **HASSLE-FREE** features like true "soft power", manual zoom/focus and digital zoom imaging, it's perfect for mobile presenters. Best of all this **QUIET WONDER** is priced for the **BUDGET MINDED**. All that plus the assurance that you're getting a BOXLIGHT projector—high-quality, **HIGH-PERFORMANCE** and backed by high-level support.

- Projecting brilliant images every time with 1100 ANSI lumens, there's no need to worry about lighting conditions.
- This extremely portable unit runs at a very low decibel level for ultra-quiet operation.
- Compression for SXGA+ to capture details with impressive clarity.
- Features "soft power"—turn the projector on and off with the remote. Remote control also accesses computer functions for your convenience.
- Digital keystone adjustment creates square images in any environment for a polished professional look.
- All BOXLIGHT projectors feature the latest technology, include 24/7 technical support and top priority response from our state-of-the-art service center.
