With the A7AB, manufacturer Caiwei offers an LCD LED projector with WXGA 1280 x 800 resolution and a contrast of 5000:1. The service life of the LEDs is 50000 hours, which is over 34.2 years with a daily viewing time of 4 hours. As Caiwei specifies the brightness of the projector in lumens, we have calculated an approximate Ansi lumen value in this case. Due to the brightness of 270 Ansi lumens, a picture width of 167 cm is possible. In room light, the picture should be max. 111 cm wide. Even 1080P video signals are no problem for the projector. This model is no longer offered by Caiwei.

1 x LCD TFT Panel  
WXGA 16/10 Liquid Crystal Display

Projector

270 / 4500 Lumen
