

Caiwei S7+

The Caiwei S7+ home cinema LED LCD projector has 1450 ANSI lumens, a contrast ratio of 20000:1 and an HDTV 1920 x 1080 resolution. The manufacturer, Caiwei, states a lifespan of 30,000 hours, which is over 20.5 years at four hours of use per day. The brightness of 1450 ANSI lumens makes a picture width of 387 cm possible. In room light, the picture should be a maximum of 258 cm wide. With the built-in Android TV software, it offers direct access to a variety of streaming services such as Netflix, Disney+, Amazon Prime Video and YouTube, as well as games and other interactive content. Since the projector recognises Miracast Screen Mirroring signals, it is possible to play videos with high resolution and surround sound directly from a smartphone, tablet, PC (Android, Windows and iOS) via Wi-Fi. Furthermore, it is Full HD 1080P and 4K (compressed) compatible.

Brief Introduction

Beta 2.5

Display Type

- 1 x LCD Panel
- HDTV 16/9 Liquid Crystal Display

Ansi-Lumen

1450 644 Lux (bei 200 cm Screen)

Contrast
