

Digital Projection dVision 35 WUXGA 3D XL/XB/XC

The Digital Projection dVision 35 WUXGA 3D XL/XB/XC 3D BrilliantColor DLP projector has 7500 Ansi lumens, a contrast of 7500:1 and a WUXGA 1920 x 1200 resolution. The projector also offers a lens shift function that makes image adjustment childs play. The projector can illuminate images up to 880 cm wide thanks to its 7500 Ansi lumens. The projector can create rooms with residual light with a smaller image width, we recommend a maximum of 587 cm. Playing 1080P and 3D is also no problem for the projector. At just 30 decibels, the device is one of the quieter projectors. It was launched in 2011 and is no longer offered by the manufacturer Digital Projection.
