

Dukane ImagePro 6445X

DUKANE IMAGEPRO 6445X

The standard portable ImagePro 6445X DLP has 4700 Ansi lumens, a contrast of 16000:1 and an XGA 1024 x 768 resolution. The lamp life is specified by the manufacturer as 12000 hours, which is over 16.4 years with a daily viewing time of 2 hours. The horizontal and vertical keystone correction allows the projector to be positioned very freely. 597 cm picture width, the projector will be able to illuminate well. The projector can manage rooms with residual light with a smaller image width, we would recommend a maximum of 398 cm here. Even 1080P video signals are no problem for the projector.

Brief Introduction Beta 2.5
