

Dukane ImagePro 8105H

DUKANE IMAGEPRO 8105H

The short-throw ImagePro 8105H LCD projector from Dukane has 2200 Ansi lumens, a contrast of 2000:1 and an XGA 1024 x 768 resolution. The integrated media player can play files directly. Thanks to the short-throw projection ratio of just 0.3:1, the projector is not distracting in the room. For a 2m wide image, the projector only needs to be 60 cm away from the screen. The model is also Full HD 1080P compatible. On the market since 2011, the model is no longer offered by the manufacturer Dukane.
