

Einyoumily AC201

EINYOUMILY AC201

Brief introduction to the Einyoumily AC201. The LCD LED projector has an HDTV 1920 x 1080 resolution and a contrast ratio of 10000:1. Manufacturer Einyoumily specifies a service life of 30,000 hours, which equates to over 20.5 years of enjoyment at four hours per day. Since Einyoumily specifies the brightness of the projector in lumens, we have calculated an approximate ANSI lumen value in this case. 1680 ANSI lumens ensure that an image width of 416 cm is also possible. However, if there is room lighting, the image should be no more than 277 cm wide. The model recognizes Airplay and Miracast screen mirroring signals, making it possible to play high-resolution videos with surround sound directly via Wi-Fi from a smartphone, tablet, or PC (Android, Windows, and iOS). Another extra feature worth mentioning is that the projector can be connected to external wireless speakers via Bluetooth. It is also compatible with Full HD 1080P and 4K (compressed).

Brief Introduction Beta 2.5

Display Type

1 x LCD Panel
HDTV 16/9 Liquid Crystal Display

Ansi-Lumen

1680 / 28000 Lumen

747 Lux (200 cm Screen width)

Contrast
