

Epson EB 965

Brief Introduction

Beta 2.5

The Epson EB 965 LCD projector has 3500 Ansi lumens, a contrast of 10000:1 and an XGA 1024 x 768 resolution. Thanks to the horizontal and vertical keystone correction, the projector can be positioned very freely. The projector is equipped with a microphone jack plug and 16W speakers, so no additional speakers are required for presentations or training courses. The projector will be able to illuminate a screen width of 515 cm well. The projector can manage rooms with residual light with a smaller image width, we recommend a maximum of 343 cm here. The model is also Full HD 1080P compatible. The model built in 2013 is no longer offered by Epson.
