

Epson EB 96W/LW

The Epson EB 96W/LW LCD projector has 2700 Ansi lumens, a contrast of 2000:1 and a WXGA 1280 x 800 resolution. The service life of the lamp is up to 5000 hours, which is equivalent to over 6.8 years at 2 hours per day. The integrated media player can play files directly. Thanks to the horizontal and vertical keystone correction, the projector can be positioned very freely. The projector can illuminate a picture width of up to 528 cm thanks to its 2700 Ansi lumens. In room lighting, however, the image width should ideally be less than 352 cm. Even 1080P video signals are no problem for the projector. The projector was launched in 2011 and is no longer sold by the manufacturer, but is still a very popular projector.
