

Epson EH-LS11000 /W

EPSON EH-LS11000 /W

The EH-LS11000W LCD has 2500 Ansi lumens, a contrast of 2500000:1 and a UHD (4K2K) 3840 x 2160 resolution. With the lens shift function, the projector can be positioned very freely. 2500 Ansi lumens ensure that a picture width of 508 cm is also possible. However, if room light is available, the picture should be a maximum of 339 cm wide. Furthermore, the projector can play 1080P and 4K without any problems. At just 30 decibels, the device is one of the quieter projectors.
