

Epson USA PowerLite 935W

EPSON USA POWERLITE 935W

The standard portable PowerLite 935W LCD projector from Epson USA has 3700 Ansi lumens, a contrast of 2000:1 and a WXGA 1280 x 800 resolution. Thanks to the horizontal and vertical keystone correction, the projector can be positioned very freely. The projector is equipped with a microphone jack plug and 16W speakers, so no additional speakers are required for presentations or training courses. 3700 Ansi lumens ensure that a picture width of 618 cm is also possible. The projector manages rooms with residual light with a smaller image width, we recommend a maximum of 412 cm. The projector was launched in 2013 and is no longer sold by the manufacturer.

 3 x LCD TFT Panel
WXGA 16/10 Liquid Crystal Display

Projector 3700
2000:1 full on/off
1,8500 min. Lumen
