

Epson USA PowerLite Pro Z9900WNL

EPSON USA POWERLITE PRO Z99

With the PowerLite Pro Z9900WNL, manufacturer Epson USA offers an LCD projector with WXGA 1280 x 800 resolution and a contrast of 15000:1. The integrated lens shift gives freedom when positioning the projector. 9200 Ansi lumens ensure that a picture width of 975 cm is also possible. The projector creates rooms with residual light with a smaller image width, we recommend a maximum of 650 cm. If the image width is not sufficient, the projector offers integrated edge blending software, which allows several projectors to project a large image together. It is also Full HD 1080P compatible. The model was built by Epson USA in 2014 and is no longer current.

3 x LCD TFT Panel
WXGA 16/10 Liquid Crystal Display

Projector	9200 / 7100 im Eco Mode	Screen	3680 Lux (bei 200 cm Screen)
