

Epson USA Home Cinema 880

EPSON USA HOME CINEMA 880

Brief Introduction

Beta 2.5

The Epson USA Home Cinema 880 standard portable 3D LCD projector has 3300 Ansi lumens, a contrast of 16000:1 and a HDTV 1920 x 1080 resolution. The service life of the lamp is up to 12000 hours, which is equivalent to over 16.4 years at 2 hours per day. Thanks to the horizontal and vertical keystone correction, the projector can be positioned very freely. An image width of up to 584 cm is possible as the projector has 3300 Ansi lumens. However, if room light is available, the image should be a maximum of 389 cm wide. Playing 1080P is also no problem for the projector.
