

Epson USA QS100W

EPSON USA QS100W

The Epson USA QS100W laser LCD projector has 4500 ANSI lumens, a contrast ratio of 1800:1, and a UHD (4K2K) resolution of 3840 x 2160. The manufacturer specifies a laser life of 30,000 hours, which would be equivalent to over 20.5 years at 4 hours per day. As this is a short-throw projector, it can be placed very close to the wall. For a 2 m wide image, the projector only needs to be 32 cm away from the screen. The projector can also play 1080P and 4K content without any problems.

 3 x 0,62" mit C2 Fine LCD Panel
