

Everest VE600U

EVEREST VE600U

A brief introduction to the VE600U: The Everest standard portable laser LCD projector offers 6500 Ansi lumens, a contrast of 5000000:1 and a WUXGA 1920 x 1200 resolution. The manufacturer Everest specifies a service life of 20000 hours, which is over 13.7 years with a daily viewing time of 4 hours. The integrated lens shift gives freedom when positioning the projector. 819 cm image width, the projector will be able to illuminate well. The projector can create rooms with residual light with a smaller image width, we recommend a maximum of 546 cm here. Even 1080P video signals are no problem for the projector, and it even has the option of projecting HD 1080P Blu-rays onto the ceiling thanks to 360° projection.
