IN1100 Series
Ultra-portable LED Projectors

COMING SOON

IN1100 Series projectors fit anywhere, go anywhere, with ultra-long-lasting images and unbeatable quality and color. Lightweight and compact, the IN1100 Series is perfect for business travelers, or anyone who needs to take their presentation on the road.

- Quantum Color Engine for vivid, ultra-long-lasting images
- Amazing 30,000-hour light source
- Green, mercury-free technology
- 3000 lumens and available full 1920 x 1080 HD resolution
- Wireless, PC-less on-board document viewer with QuadView (with wireless adapter)
- Support for AirPlay and MiraCast

Quantum Color Engine

The IN1100 Series is powered by the InFocus Quantum Color Engine for exceptional image quality over years of continuous operation. The Quantum Color Engine is based on solid-state illumination technology, and is tested for over 200 unique color parameters to ensure the most vivid images possible. A massive color gamut, up to 40% bigger than leading competitors, and high color luminosity ratio bring your screen to life. With virtually no color decay, you can enjoy remarkable images for over 3 years of 24/7 operation or over 10 years of business hour operation.

Superior Images

Get quality images and true-to-life colors with DLP technology with InFocus BrilliantColor implementation. 3,000 lumens mean bright, clear images even with the lights on, and 150,000:1 contrast ratio adds sharpness with darker blacks and whiter whites.

Greener Technology, Greater ROI

Solid-state technology means your projector will last an amazing 30,000 hours, with an environmentally friendly mercury-free design. No lamps to replace means less hassle and fewer added expenses over time.

Details

PRELIMINARY SPECIFICATIONS*	IN1100 Series
Resolution	IN1156 = WXGA (1280×800) IN1188HD = Full HD (1920 x 1080)
Illumination Technology	LED, InFocus Quantum Color Engine
Brightness	3000 ANSI lumens
LED Life	30,000 hours
Contrast Ratio	150,000 : 1
Native Aspect Ratio	IN1156 = 16:10 IN1188HD = 16:9
Connectivity	USB-A x2, HDMI, VGA, Composite, 3.5mm audio in, 3.5mm audio out
