

InFocus IN1108ST

INFOCUS IN1108ST

With the IN1108ST, manufacturer InFocus offers a DLP laser projector featuring HDTV 1920 x 1080 resolution and a contrast ratio of 2,000,000:1. Thanks to its laser technology, the projector has a light source lifespan of up to 20,000 hours, which would equate to over 13.7 years at 4 hours per day. Horizontal and vertical keystone correction ensures effortless image setup. Since this is a short-throw projector, it can be placed very close to the wall. For a 2-meter-wide image, the projector needs to be just 100 cm away from the screen.
