The short-throw JAVES D925TX DLP projector has 2600 Ansi lumens, a contrast of 2400:1 and an SXGA 1280 x 1024 resolution. Thanks to the short-throw projection ratio of just 0.65:1, the projector is also not distracting in the room. For a 2m wide image, the projector only needs to be 130 cm away from the screen. The model was built by JAVES in 2010 and is no longer current.
