The game portable mini projector has 100 Ansi lumens, a contrast of 1000:1 and a WVGA 800 x 480 resolution. The projector can illuminate an image width of up to 102 cm thanks to the 100 Ansi lumens. In room light, however, the image width should ideally be less than 68 cm. The projector has Airplay and Miracast screen mirroring support, which enables direct playback of videos in high resolution and surround sound from smartphones, tablets and PCs with Android, Windows or iOS via Wi-Fi. It is also Full HD 1080P compatible.
