

Lareser A1

L A R E S E R A 1

The Micro-Portable A1 LED LCD has 1200 ANSI lumens, a contrast ratio of 50000:1, and an HDTV 1920 x 1080 resolution. It is an LED projector with a light life of 30,000 hours, which would be over 20.5 years if viewed for 4 hours a day. An image width of up to 352 cm is possible because the projector has 1200 ANSI lumens. However, if there is room lighting, the image should be no more than 235 cm wide. In addition, the Bluetooth capability is a useful addition to the projector, especially for wireless audio transmission. It is also Full HD 1080P and 4K (compressed) compatible.
