

Lumistar Premium Beamer

LUMISTAR PREMIUM BEAMER

Brief Introduction

Beta 2.5

The Premium LED LCD projector from Lumistar has 280 ANSI lumens, a contrast ratio of 2200:1 and an HDTV resolution of 1920 x 1080. The manufacturer, Lumistar, specifies a lifespan of 30,000 hours, which would equate to over 20.5 years based on 4 hours? viewing per day. The 280 ANSI lumens ensure that an image width of up to 138 cm is possible. However, if there is ambient light in the room, the image should be no more than 92 cm wide. The model recognises Chromecast, AirPlay and Miracast screen mirroring signals, making it possible to play high-resolution videos with surround sound directly via Wi-Fi from a smartphone, tablet or PC (Android, Windows and iOS). Furthermore, thanks to its Bluetooth function, the projector can be flexibly paired with other speakers. Even 1080p video signals are no problem for the projector. With an operating noise level of just 30 decibels, the projector runs quietly.

Display Type

1 x LCD Panel
HDTV 16/9 Liquid Crystal Display
