

MEGAPOWER

ULTRA SHORT THROW 1080P LASER DLP PROJECTOR MODEL: ML-62UST

- **0.19 Throw Ratio Ultra Short Throw; 80 inch Screen Size @ 0.33m**
- **FHD 1080p native resolution and supports 4K**
- **3 Laser Light Source. Excellent Color and Contrast**
- **Android OS built-in with optional built-in GTV Dongle**
- **Battery Operated**

This projector is extremely compact and with its ultra short throw optics, the projector can be placed very close to the screen. Set up is thus much simpler. The 1080p resolution and the laser optics gives fine details to video as well as text in presentations. The Android OS allows downloading of Apps to expand the functions and allows connecting to Smartphones or Tablets for wireless projection. Optional GTV Dongle with Netflix and other licenses can be built into the projector.
