

Nec ME331X

NEC ME331X

The Nec ME331X LCD projector has 3300 Ansi lumens, a contrast of 6000:1 and an XGA 1024 x 768 resolution. The service life of the lamp is up to 4000 hours, which is equivalent to over 5.5 years at 2 hours of use. Includes an integrated media player that can be used to play files directly. Horizontal and vertical keystone correction makes setting up the picture childs play. The projector can illuminate images up to 500 cm wide thanks to its 3300 Ansi lumens. In room lighting, however, the image width should ideally be less than 333 cm. The projector can also display 1080P without any problems. This model is no longer offered by Nec.
