

Nec M322W

N E C M 3 2 2 W

The Nec M322W 3D DLP projector has 3200 Ansi lumens, a contrast of 10000:1 and a WXGA 1280 x 800 resolution. The integrated media player can play files directly. A built-in horizontal and vertical keystone correction provides freedom when positioning the projector. The model offers a microphone jack plug and 20W speakers, so no additional audio devices are required for presentations or training courses. The projector will be able to illuminate a screen width of 575 cm well. If room light is available, however, the picture width should ideally not exceed 383 cm. Playing 1080P and 3D is also no problem for the projector. On the market since 2014, the model is no longer offered by the manufacturer Nec.

 1 x 0,65" DLP Chip
WXGA 16/10 Ti Digital Light Processing Chip
