

Nec NP210

NEC NP210

The standard portable Nec NP210 3D BrilliantColor DLP projector has 2200 Ansi lumens, a contrast of 2000:1 and an XGA 1024 x 768 resolution. Due to the lamp, the projector is specified with 3500 hours of lamp life, which is over 4.8 years with a daily viewing time of 2 hours. The projector can illuminate a picture width of up to 408 cm with its 2200 Ansi lumens. In room lighting, however, the picture width should ideally be less than 272 cm. The model was built by Nec in 2009 and is no longer current, but is still a popular projector in our database.
