

Nec NP P501X

Brief Introduction

Beta 2.5

With the NP P501X, manufacturer Nec offers a standard portable LCD projector with XGA 1024 x 768 resolution and a contrast of 4000:1. Manufacturer Nec specifies a service life of 3500 hours, which is equivalent to over 4.8 years at 2 hours per day. Including an integrated media player with which files can be played directly. Includes a lens shift and keystone correction function, which provides freedom during installation. A picture width of up to 616 cm is possible, if the picture width is smaller (we recommend max. 411 cm), rooms with residual light are also no problem. Even 1080P video signals are no problem for the projector. On the market since 2013, the model is no longer offered by the manufacturer Nec.
