

Nec UM352W

NEC UM352W

The Nec UM352W LCD projector has 3500 Ansi lumens, a contrast of 4000:1 and a WXGA 1280 x 800 resolution. The lamp life is up to 3800 hours, which is over 5.2 years with a daily viewing time of 2 hours. The projector also offers an integrated media player that can be used to play files directly. The horizontal and vertical keystone correction provides leeway when setting up. This projector has a projection ratio of just 0.358:1. For a 2 m wide image, the projector needs to be just 72 cm away from the screen. The model offers a microphone jack plug and 20W speakers, so no additional audio devices are required for presentations or training courses. A smartphone with an MHL connection can be connected directly to the MHL/HDMI port for 1080p / 60 Hz screen mirroring. Even 1080P video signals are no problem for the projector. It was launched in 2015 and is no longer offered by the manufacturer Nec.
