

Optoma EzPro / EP540

With the EzPro / EP540, manufacturer Optoma offers a stationary LCD projector with SVGA 800 x 600 resolution and a contrast of 200:1. The projector will be able to illuminate an image width of 195 cm well. However, if room light is available, the picture width should ideally not exceed 130 cm. The projector is no longer sold by the manufacturer. It should also be noted that, unfortunately, there are no more replacement lamps for the projector, neither originals nor replicas.
