

Panasonic PT-RZ370

PANASONIC PT-RZ370

The Panasonic PT-RZ370 stationary 3D laser DLP projector has 3000 Ansi lumens, a contrast of 5000:1 and an HDTV 1920 x 1080 resolution. The manufacturer Panasonic specifies a service life of 20000 hours, which is over 13.7 years if enjoyed for four hours a day. The projector also offers a lens shift function for flexible projection adjustment without loss of quality. 3000 Ansi lumens ensure that an image width of 556 cm is also possible. However, if room light is available, the picture should be a maximum of 371 cm wide. It is also Full HD 1080P compatible. Even projection onto the ceiling is possible thanks to the 360° projection. The model was built by Panasonic in 2012 and is no longer current.
