

PARIS RHÔNE PE-SP001

PARIS RHÔNE PE-SP001

The PARIS RHÔNE PE-SP001 LED LCD projector has 350 Ansi lumens, a contrast of 15000:1 and an HDTV 1920 x 1080 resolution. The manufacturer specifies an LED service life of 40,000 hours, which equates to over 27.4 years with a daily viewing time of 4 hours. The projector can illuminate a picture width of up to 190 cm well thanks to the 350 Ansi lumens. In room light, however, the picture width should ideally be less than 127 cm. The model recognizes Airplay, Miracast Screen Mirroring signals, so it is possible to play videos with high resolution and surround sound directly via WLAN from a smartphone, tablet or PC (Android, Windows and iOS). Another extra is that the projector can be connected to external wireless speakers using the Bluetooth function. Furthermore, the projector can play 1080P and 4K (compressed) without any problems.

Brief Introduction Beta 2.5

Display Type

3 x LCD Panel
HDTV 16/9 Liquid Crystal Display

Ansi-Lumen
