

Philips PicoPix PPX3610 E/U

PHILIPS PICOPIX PPX3610 E/U

The game portable PicoPix PPX3610 E/U LED DLP projector from Philips has 100 Ansi lumens, a contrast of 1000:1 and a WVGA 854 x 480 resolution. The lifespan of the LEDs is 30000 hours, which is equivalent to over 20.5 years at 4 hours per day. The integrated media player allows files to be played directly. A picture width of up to 102 cm is possible. However, the picture should be smaller in room light. We recommend max. 68 cm. The projector can be operated for up to 2 hours using the rechargeable battery, which means it can be set up spontaneously and easily anywhere. Even 1080P video signals are no problem for the projector. On the market since 2013, the model is no longer offered by the manufacturer Philips.
