

projectiondesign F1 SXGA wide

Brief Introduction

Beta 2.5

The projectiondesign F1 SXGA wide standard portable DLP projector has 3000 Ansi lumens, a contrast of 1000:1 and an SXGA 1280 x 1024 resolution. A built-in horizontal and vertical keystone correction provides freedom when positioning the projector. 3000 Ansi lumens ensure that a picture width of 464 cm is also possible. However, if room light is available, the picture should be a maximum of 309 cm wide. At just 28 decibels, the device is one of the quieter projectors. This model is no longer offered by projectiondesign.

1 chip DLP DDR (Double Data Rate)
SXGA 5/4 Ti Digital Light Processing Chip

Display Type

Ansi-Lumen

3000

910 Lux (bei 203 cm Screen)
