

REAGLE R-MOVIELUM-P60

EAN/UPC:B0H5CYTDK5

REAGLE R-MOVIELUM-P60

The REAGLE R-MOVIELUM-P60 LED LCD projector has 1,100 ANSI lumens, a contrast ratio of 10,000: 1 and an HDTV resolution of 1920 x 1080. The manufacturer specifies an LED lifespan of 30,000 hours, which would equate to over 20.5 years at 4 hours? use per day. Built-in horizontal and vertical keystone correction offers flexibility when setting up the projector. Thanks to the 1,100 ANSI lumens. However, in well-lit rooms, the image width should ideally be less than 109 cm. The projector supports Chromecast and screen mirroring, allowing high-resolution videos and surround sound to be streamed via Wi-Fi directly from smartphones, tablets and PCs running Android, Windows or iOS. In addition, thanks to its Bluetooth functionality, the projector can be flexibly paired with other speakers. Furthermore, the projector can play 1080p and 4K (compressed) content without any issues. Compared to other models, the projector is very quiet, with an operating noise level of 30 decibels.
