

Ricoh PJ X5360N

RICOH PJ X5360N

The standard portable PJ X5360N LCD has 4200 Ansi-Lumen, a contrast of 2000:1 and an XGA 1024 x 768 resolution. The projector is equipped with an integrated media player, so direct playback of files will not be a problem. An image width of up to 564 cm is possible as the projector has 4200 Ansi lumens. The projector can create rooms with residual light with a smaller image width, we recommend a maximum of 376 cm. On the market since 2012, the model is no longer offered by the manufacturer Ricoh.
