

Ricoh PJ WX4240N

RICOH PJ WX4240N

The standard portable Ricoh PJ WX4240N 3D DLP projector has 3000 Ansi lumens, a contrast of 5000:1 and a WXGA 1280 x 800 resolution. Thanks to the lamp, the projector has a lamp life of up to 3500 hours, which is over 4.8 years if enjoyed for two hours a day. The integrated media player can play files directly. A picture width of up to 556 cm is possible. However, the picture should be smaller in room lighting. We recommend max. 371 cm. This model is no longer offered by Ricoh. It should also be noted that there are unfortunately no longer any replacement lamps available for this projector, neither originals nor replicas.

1 x 0,65" DLP Chip
WXGA 16/10 Ti Digital Light Processing Chip

Brief Introduction

Beta 2.5
