

Sagem CDP 1800 X

S A G E M C D P 1 8 0 0 X

Brief Introduction

Beta 2.5

The Sagem model CDP 1800 X is a DLP projector with XGA 1024 x 768 resolution and a contrast of 2000:1. An image width of up to 369 cm is possible. However, the picture should be smaller in room light. We recommend max. 246 cm. The model built in 2008 is no longer offered by Sagem, but is still a popular projector in our database. It should also be noted that, unfortunately, there are no longer any replacement lamps available for this projector, neither originals nor replicas.
